Please do not arrive at the cafe before 08:35 as we have a number of riders to release on the 107k and do not have room for you before this time.

This ride is designed as an introduction to Audax. It contains winding roads, narrow lanes, some minor hills and wonderful scenery. The route has been revised to avoid the holiday traffic on the main road alongside the NW side of Bala Lake.

Please ensure that you use the control (and buy something to support) to ensure that your ride can be validated by Audax UK.
